

Dear Parents,

The Birthday Book Club is a program at St. Dominic School whose purpose is to build the library collection with the newest and best in children's books.

Books will be selected by the librarian from among the Newbery and Caldecott Award winners, as well as ALA Notable Books, the Boston Globe/Horn Book Awards, School Library Journal Best Books, and other award books.

Participants make a contribution of \$25.00 at the beginning of the program in a student's name. A bookplate will be affixed to the book commemorating the child's birthday and giving his/her age. The book will be displayed during the birthday month and then become available as part of the library collection. Summer birthday books are displayed in May. Please send information in advance of the birthday.

Membership in the club is a wonderful way to express the importance of books and to teach children the valuable and pleasurable act of sharing. We would like to encourage all families to participate. Should you have any questions, please do not hesitate to contact us.

Sincerely,

Ashley Lynn Seatter
