

Dear 6th Grade Parents,

Tomorrow, Wednesday, October 18th, we will begin offering additional Math practice for 6th grade students who are interested in strengthening their foundation in Math. Dr. Seatter, Mrs. Adams, Ms. Streva, and Mrs. Koniditsiotis will go over mathematical fundamentals that may aid your child with his/her classes this year. These extra practices will be provided at no additional cost to you and will be held every Wednesday morning from 7:45 – 8:45am in Mrs. Adams' classroom.

Please sign the form below and return it with your child tomorrow morning, Wednesday, October 18, if you plan to take advantage of this opportunity.
